

## LAB SUPPLIES

### COOPERATIVE LABORATORY SUPPLY CONTRACT

#### NON-MANDATORY CONTRACT

The National Association of Procurement Officials (NASPO) leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivision. Alaska is an active member of NASPO. In order to use a NASPO contract, the state must sign a Participating Addendum (PA).

The following non-mandatory laboratory supply contracts are available to Alaska state agencies and Alaska political subdivisions:

Contractor	Price Agreement Number	PA Signed
<i>Fisher Scientific</i>	<i>SBP01336</i>	Yes
<i>VWR International</i>	<i>SBP01337</i>	Yes

Original Term: July 1, 2010 – June 30, 2013. Contract amended to June 30/2015

Both contracts include a full line catalog of laboratory equipment and supplies. There is a \$75,000 (per item) ceiling within each order. Separate items that cost more than \$75,000 (after the NASPO discount has been applied) must be purchased through a separate formal procurement vehicle.
